

DE BLAUWE PARADE

WELCOME TO DE BLAUWE PARADE

Take a journey back in time to late 19th century Amsterdam with a visit to bar-bodega De Blauwe Parade. We are home to the worlds largest Delftblue tile tableau in the world, which showcases the inauguration of Emperor Maximiliaan in Amsterdam and allowed Amsterdam to feature a crown on its city crest. The tile tableau got installed when this building got added to beerhouse Die Port van Cleve in 1888 as tasting room for port and sherry wines. From that moment on it became a special place in the heart of Amsterdam. Nowadays we are serving a variety of local beers and spirits as well as our signature cocktails, selected wines and a food menu with authentic Dutch snacks and dishes. Have a taste of 1888 Amsterdam and be surprised by what De Blauwe Parade has to offer.
